Mr. J. Edgar Hoover
 Director
 Federal Bureau of Investigation
 United States Department of Justice
 Washington 25, D. C.

Dear Mr. Hoover:

Thank you for your letter of 21 September 1949 enclosing a list of projects on international Communism which have been disseminated by the Federal Bureau of Investigation.

25X1

In view of the fact that the [redacted] Committee desires to maintain a continuous file on such projects undertaken by all participating U. S. Government agencies, it would be greatly appreciated if the Bureau would, in the future, keep the Secretary of the Committee periodically advised of research projects on Communism, completed or in progress.

25X1

The use of forms, such as those sent out by the Secretary of the [redacted] may facilitate reporting and would help the establishment of an inter-agency Communist project file which the Committee is trying to compile.

Again, with thanks and best wishes, believe me,

sincerely,

signed & deep sea E R
